Field Information Agencies Technical, Office of Military Government  
United States, APO 742

Date Visited: 30 July 1948

GENERAL

1. Field Information Agencies Technical (FIAT) no longer has captured documents. The documents have been shipped either to Document Section, 7707th ECIC, or to Washington, D. C.

2. At present, the agency is publishing in German an unclassified series of eighty-four scientific books covering the subjects of physics, chemistry, mathematics, medicine, biology, and sciences of the earth. The manuscripts for the books were prepared for FIAT by various German scientists. At the time of our visit, nine of the books had been distributed and three printed but not distributed. Eleven hundred copies of each book are printed. It is planned that the remainder of the books will be printed and distributed by the end of 1948.

3. These books may be obtained by contacting the Joint Intelligence Objective Agency, Room 2D267, The Pentagon, Washington 25, D. C.

RECOMMENDATIONS

1. It is recommended that CIA obtain this series of books for use of ORE and FDB as reference material.
